

Dear Mark, Steve, Gary, James, Jez and Steve

We had a brilliant evening last Saturday and our party was really made by you guys - everyone has said how much they enjoyed it, "particularly the band"! Sarah said she didn't want you to stop, and when it got to the fifth encore I didn't think you were going to. My son thought that you "sounded really tight" (which I think is a compliment) and I just hope we'll find an excuse to have you back before long. 'Whisky in a Jar' is still going round in my head!

With best wishes

Nick and Sarah Walker
