Hi Mark.

What can I say? You were fab and we could not have wished for anything better. Everybody is talking about you, how good you all were, how everybody danced all night and thank you all so much for being so friendly and.....I don't know I can't find the words. Louise and Jimmy had such a wonderful day then rounded off by such a wonderful night with their family and friends all dancing with them. You looked like you enjoyed it yourselves. I am sure we will see you again because people are talking about booking you for their own weddings. In the mean time A BIG THANK YOU TO YOU ALL.

Best wishes

Karen and Bernard
